

# Competitive Information Package

This season at RCA, we are adapting to the current climate and doing everything we can to help make our program accessible to everyone! Fees have been reduced this season. Some of our programming will be offered virtually, and we will follow all covid-19 guidelines when offering services inside our facility. We have strict protocols in place for cleaning and social distancing, and are 100% committed to providing a safe, fun, competitive environment for our athletes. We believe that cheerleading is an incredible sport that brings people together in a way that nothing else does – and we will continue to achieve excellence in these difficult times.
